### 3 reasons to use AAOMS Advantage Partners

#### 1. Reviewed and approved

The first step is to evaluate whether the company has a product or service needed in an AAOMS member's practice. If the answer is yes, the potential Partner undergoes a rigorous review covering the company's background and financials. All Partners also must offer a special discount to AAOMS members and provide a royalty to AAOMS based on member usage. All information gathered about the potential Partner is then reviewed by the AAOMS Advantage Projects Committee and the ASI Board of Directors. If approved by both, the company becomes an AAOMS Advantage Partner. Visit [AAOMSAdvantage.org](http://AAOMSAdvantage.org) to view more details about Partner Programs.

#### 2. Prize opportunities

**Share-the-Savings Contest** – Share your experience about one or more of the AAOMS Advantage Partners in your practice and become eligible to receive FREE registration to an AAOMS Annual Meeting. Visit the **Share-the-Savings** page at [AAOMSAdvantage.org](http://AAOMSAdvantage.org) for more information on how to submit written or video entries.

#### 3. Find insights
