Coding Guide for OMS

Co-produced with the American Association of Oral and Maxillofacial Surgeons (AAOMS), this comprehensive guide has the latest OMS-specific CDT, CPT® and HCPCS procedure codes, cross-walked to ICD-10-CM and HCPCS Level II codes, Medicare guidelines, CCI edits, helpful code descriptions and clinical definitions.

Item # SOMS22 ~~\$199.95~~ Member price: \$159.96

Optum360® EncoderPro.com

EncoderPro.com packages all the relevant coding content you need for your OMS practice. As well as access to these features: CPT® to CDT cross-walks, clinical definitions and unbundling edits to increase coding accuracy and help reduce denials.

Choose from three different levels and optional add-ons, or take advantage of exclusive EncoderPro.com Professional and Dental Codes Add-on bundle pricing for AAOMS members.
